

Thus bound in love—oh! may they live,
A golden summer life—
And ne'er regret the solemn vows,
That made them man and wife.
May blended love and joy divine,
Flow free from Hymen's throne,
And sweetly shed its genial beam,
O'er these—tho' wedded one.
May rays of hope and tranquil peace
Ever guide their wandering feet—
And solace give, that they make
Their untrod journey sweet.

Married.
At Cole Camp, in this county, on Tuesday evening, 22d ult., by Hosea Powers, Esq., Mr. HENRY O. CARPENTER to Miss AMANDA AKORAH—eldest daughter of Isaac Watson, Esq., all of this county.
The printers were remembered, and the happy couple have our warmest wishes for their future prosperity and happiness. May they always look upon the sunny side of the picture of life, and enjoy as much of the goods of earth as falls to the lot of man.

Obituary.
Early, bright, transient, chaste as morning dew.
She sparkled, was exhaled, and went to heaven—*Young's Night Thoughts.*
DIED—At Middleton, Lafayette county, on the 20th ult., MARY ANN GREENE, aged about sixteen months, youngest child of Geo. W. and Mary Ann Cathey, formerly of this place.

Let the weeping parents console themselves with the pleasing reflection that their fondly cherished babe has been taken from the evil to come—and although they cannot call her back again to earth, yet they may meet her again in a better state of existence, where parting is forever unknown.

Monthly Bulletin, No. 8.

During the month of July, August and September, stomach & bowel complaints ravage many portions of the country. One third of all the deaths during that period will be the result of these difficulties.
For Children, the *Griseb's Children's Paster* will prove an infallible preventive and cure.
For adults, suffering under the worst form of Diarrhea, Dysentery, Bilious Flux and the like, the *Griseb's DYS-ENTERY SYRUP* is equally infallible.
The tables of mortality in this city of N. York during the week ending the 13th inst. show that out of 284 deaths, 106 were caused by the above disorders. The same ratio will elsewhere appear.
In Fevers, Fever and Ague, & the like, the celebrated *Griseb's Vegetable Pills and Health Bitters* are the only reliable medicines, and they should be procured without a moment's delay. The *Griseb's Sarsaparilla Compound* is taking the lead of all others, and contains double the number of doses of any other.

The General Agent for Missouri, is E. K. WOODWARD, St. Louis, to whom applications for agencies may be addressed.

Far famed & noted Established Warehouse
For Cheap & Fashionable
CLOTHING.
No. 118,
Formerly No. 114, Main St., St. Louis.
Motto—I am determined to sell lower than any other house in the U. States.

TREMENDOUS EXCITEMENT!
Goods are rushing in by every packet! The house is now filled! Three large stores crowded with goods! My stock this fall will be tremendous large, by far exceeding any ever before received, and at such low prices that will defy any and ALL COMPETITION.

I am determined to supply every Country Merchant, and also all Retail customers that come to this market with the ready cash. I have put the prices down so low as to make it a matter of impossibility for any house to offer the same inducements. It must be apparent to every one that I can do—possessing the advantages that I do—purchasing, manufacturing and selling for nothing but Cash, or No. 1 City paper. The tremendous amount of business I do, will enable me to sell at a very small profit, which I always have done, and will continue to do. Residing in the City of New York, and manufacturing my own Goods, and having the advantages of the market—my brother, CHARLES G. MARTIN, conducting the business in St. Louis—and the long experience I have had in business the past sixteen years, enables me to get up a stock in a far superior style to any other.
My patterns are the best and most fashionable that can be had, and are warranted to set and fit as well as those that can be had at the most fashionable tailors.—This fall I will have over
150,000 GARMENTS,
consisting of every style and pattern that will be worn.
Beware of being deceived by those who tell you "this is Martin's"—for there are numbers that do, and are mean enough to stoop to anything. Bear in mind that my store is NO. 118, instead of No. 114. The numbers on Main street having been altered, makes my store No. 118. In front you will find the name in mammoth gilt letters—
MARTIN.
On top of the house a large No. 118.
I have the largest and deepest Clothing Warehouse in the west. And remember, that I have but one store in the city.
To Country Merchants.—All orders thankfully received, and warranted to be packed correctly, at the lowest cash prices.
'Tis no trouble to show Goods!

Dr. E. EASTERLY'S
Medicated Strengthening Plaster
THIS plaster has been prepared under the immediate eye and superintendence of an old physician, who is a graduate of the University of Pennsylvania, and has had extensive practice for more than 30 years in treating the various diseases incident to this country. He confidently recommends this Plaster, from a thorough knowledge of its virtues, to be superior to every Plaster now in use. By keeping up a gentle perspiration, it is admirably adapted for Pains or Weakness in the Breast, Side, Back or Limbs; also, for the Gout, Rheumatism, Enlargement of the Spleen, Liver Complaint and Dyspepsia, and for Coughs, Colds, Asthma, Difficulty of Breathing, Oppression of the Stomach, &c. To all persons predisposed to Consumption, or who are subject to violent coughs and colds, they are particularly recommended—as they give almost immediate relief, and for pleasantness, safety, ease and certainty, they are decidedly superior to most other remedies.
Persons afflicted with any of the above diseases will find Dr. Easterly's Medicated Strengthening Plaster much superior to any other ever before offered to the public. Physicians, druggists and dealers in Medicines, will find it to their interest to keep a supply of these valuable Plasters on hand to accommodate their patrons.

DR. WISTAR'S BALSAM OF WILD CHERRY.

COUNTERFEITS.
The Great Remedy for Consumption of the Lungs, Affections of the Throat, Bronchitis, Asthma, Croup, or Weakness of the Breast or Lungs, Chronic Coughs, Pleurisy, Hemorrhage of the Lungs, and all Affections of the Pulmonary organs.
NATURE'S OWN PRESCRIPTION.
A compound balsamic preparation of the Prunus virginiana, or Wild Cherry Bark, combined with the extract of the turpentine, prepared by a new chemical process, approved and recommended by the most distinguished physicians, and universally acknowledged the most valuable medicines ever discovered.
We do not wish to trifle with the lives or health of the afflicted, and we sincerely pledge ourselves to make no assertions as to the virtues of this medicine, and to hold out no hope to suffering humanity, which facts will not warrant.
We ask the attention of the candid to a few considerations. Nature, in every part of her works, has left indelible marks of adaptation and design.
The constitution of the animals and the vegetables of the torrid are such that they could not endure the cold of the frigid zone—vice versa.
In regard to disease and its cure, the adaptation is no less striking. The moss of Iceland, the wild cherry and pine of all northern latitudes, (the Balsam is a chemical extract of these) have long been celebrated for complaints prevalent only in warm climates. Indeed the most distinguished men have averred that nature furnishes in every country antidotes for its own peculiar diseases.
Consumption, in its confirmed and insipient stages, coughs, asthma, croup, and liver complaint, formed by far the most fatal class of diseases known to our land.
Yet even these may be cured by means of the simple yet powerful remedies which are scattered wherever those maladies prevail.
Scarcely a mail arrives from any point in the west, but that brings us news of the most cheering character, which goes still farther (if more evidence were necessary) to establish the reputation of this great remedy.
None can be genuine without the names of Henry Wistar, M. D., and Sanford & Park are found upon the wrapper. No medicine called Syrup of Wild Cherry, or Wild Cherry Bitters can be relied upon. They may not be so, but actually injure the patient.
DR. WISTAR'S BALSAM OF WILD CHERRY is the only remedy to which invalids should resort for the cure of pulmonary complaints.

Dr. Bragg's Pills Triumphant!

Further Evidence—Great Excitement and Panic amongst the Calomel Doctors—Disastrous consequences of the use of Mineral Medicines—Timely intervention of Indian Queen Vegetable Sugar Coated Pills to save a whole neighborhood from the awful ravages of that fell destroyer, Disease, in the forms of Ague, Bilious, Constipation and Typhus Fevers—Read and be convinced!
VAN BUREN, Ark, April 15, 1848.
DR. BRAGG—Dear Sir: During the past summer and fall, the various forms of bilious Fever were very prevalent and often fatal in this section of country. Our worthy none-such physicians, puffed up with pride and vain conceit, persisted in their antiquated practice with that universal panacea, calomel, with such unbounded success, that one or two, panic-struck, stampeded off and left their patients with nature and her ineffable efforts to repair the mischief they had done. In one family, four cases resulted in death, in the short space of four days; in some cases three or four days after the exhibition of calomel, great prostration, tympanitic condition of the abdomen, and perforation of the bowels were the result of this heroic treatment, and to prevent so to their weeping friends, a post mortem examination would reveal the fact. After finding their practice altogether ineffectual, they came to the wise conclusion to give no medicine at all, but confine to visit their patients, and order flaxseed tea as a drink, and a poultice of the same applied to the bowels; when this failed, with sage look, and little faith, & hearts full of apprehension, they would confess to their friends their full confidence in the application of blisters from head to foot—you may guess the result.
In this dilemma and universal consternation, one of our travelling agents passed through our neighborhood, and made liberal deposits of your vegetable medicines, and distributed pamphlets, and the "Sun," to shed a genial and benignant light upon this benighted, and apparently devoted land. The manna sent to the Children of Israel, in the wilderness, was not hailed with more hearty thanks than were your health-restoring Pills in this awful crisis. The people were prepared to receive relief from their apparently impending fate. I have watched their progress, and the effects they produced in hundreds of cases and am happy to give my feeble testimony to their entire and triumphant efficacy, in restoring health in a few days, in every instance, when they have been taken in time, and in strict accordance to directions. Some of our physicians, whose love of truth and philanthropy triumphed over prejudices and preconceived theories, have cheerfully abandoned their calomel and lancet, and recommended your pills in all cases of bilious, intermittent, remittent, congestive and typhus fevers; and they freely acknowledge that they are almost a specific in all these diseases. Your travelling agent is anxiously looked for again, as many of your agents are out of pills, and the sickly season is approaching.
With best wishes for your success,
I am truly yours,
B. CUNNINGHAM.
